Infratech is the largest seminar and exhibition event for the infrastructure sector in Finland. The event is expected to attract more than 5,000 exhibition guests and over 220 exhibitors.

Infratech exhibition visitors

(Visitor survey YT21):

- Visit the exhibition in order to stay apprised of the latest developments, to create customer contacts and to attend seminars and other related events.
- Independently make acquisition decisions or participate in such decisions.
- Represent municipalities and private companies.
- Come to the exhibition from all over Finland.
