Set stand price includes:

- registration fee, space rental and service fee,
- stand structures, 3kW electricity connection and spotlights.

The currently valid VAT rate on the invoicing date will be added to the prices.

Product groups and their identification colours

The set stand area has a reserved section and different identification colour for each of the six product groups. They are clearly marked on the map on the registration form. The identification colours will be used for the stand numbers and area rug runners, and in exhibitor maps and the YT25 event app. Identification colours for individual product groups:

| Product group | Colour | Colour code of rugs |
|--|---|---------------------|
| Energy supply |  | 0962 Theatre Red |
| Waste and environmental management |  | 0041 Grass Green |
| Machinery and equipment |  | 9395 Taupe |
| Traffic and regional infrastructure |  | 9213 Yellow |
| Measurement, research and other services |  | 9347 Mandarin |
| Water supply management |  | 0904 Sky Blue |

The location of set stands and product groups is shown on the map on the next page.
