

Small stands

Small stand for microbusinesses, educational institutions, R&D projects and co-operative media

A separate area in Hall C1 has been reserved for R&D projects, microbusinesses and educational institutions. The exhibition's co-operative media is also located there.

The stands are 4 m² in size. The stand can be booked for a total price, which includes the registration fee, space rental, stand structures and furniture (table, chair and brochure stand), electricity, lighting and recycling fee.

YT27 exhibition 12-13 May 2027

Small stands

Classic stand sturcture package 4 m²

The stand package includes:

- Black wall structures
- Wall prints using your own materials
- Sand-colored carpet
- Electrical connection 1×6A (max 1300 W)
- Lighting with spotlight fixtures

Logo print material size:
width 1030 mm, height 600 mm

Material guidelines
Wall prints are printed on 5 mm foam board. Please deliver print-ready artwork as a PDF file with 5 mm bleed. Vector image files are also accepted, such as .eps, .tiff, and .ai.

Colours
We print products in CMYK colours and recommend using the Coated FOGRA 39 CMYK colour profile for images.

Fonts
Fonts must be embedded in the file or converted to outlines.

Delivery deadline: 9 April 2027
